

Hello McKinney parents, guardians, teachers, and staff,

Back by popular demand, we partnered with the distinguished Okanagan orchard [Sun-Oka Fruit Farms](#) to sell their delicious farm-fresh apples.

If you picked up some of these apples in October you know that these are not just the ordinary apples we are used to getting in our grocery stores. This century-old family farm has won many major [awards](#) for their fruit. They won the prize for growing the best apples in Canada for eight straight years and are the highest quality apples available anywhere.

Because we're sourcing them directly from the farm, you get to buy them at below grocery store prices. You'll get the best apples you've ever eaten... and save some money.

Plus, with each box sold, McKinney PAC will raise \$8-10.

The funds we raise are important for providing additional school resources such as classroom and gym equipment, and subsidizing field trips and in-school workshops. Last school year, PAC contributed over \$3,700 for classroom resources for each division, resource teacher, and EA at McKinney, and over \$8700 towards field trips, workshops (Taiko, iLumiDance, Indigenous Storyteller, Portable Planetarium), classroom equipment, and the Grade 6/7 Outdoor Camp, just to name a few.

Please consider sharing this fundraiser sale with your nearby friends and family. (For every 2 friends who buy from your link, you will save \$2/box on your own order, and the discount increases with more buyers!)

Apples will be delivered directly to McKinney school, so please arrange pick up with your friends who are using your link.
