Dear Families,

Welcome back, and Happy New Year! We hope you and your family enjoyed a restful and joyful winter break. It's been wonderful to see students return with energy, stories to share, and readiness for learning. 2026 is going to be great!

As we settle back into our routines, we're looking forward to witnessing continued growth, curiosity, and connection. This term we are continuing with our new school philosophy of

McKinney Eagles Care for Self, Others, and this Place

Last term we focused on the first part: care for self. For term 2 we will dive deeper into what it means to show care for others. We continue to look for examples of students showing care and our Eagle has even more feathers celebrating students' from all divisions for showing care.

A good conversation starter at home could be: *Did you see someone showing care for others today?*
Or *Were you able to show care for yourself or others today at school?*

Thank you, as always, for your continued support—we're grateful to be working together to support all of your wonderful children.

Warm regards,

Ms. Zvi and Ms. Sood

Vancouver Sun Run – School Team Registration

We are excited to share that our school will be participating in the **2026 Vancouver Sun Run on Sunday, April 19**, starting at **BC Place**! Our students will have the opportunity to join the **2.5 km Mini Sun Run** as part of our school team.

Because the event takes place on a weekend, we kindly ask parents to support their child's training and to accompany them on race day.

Participation is open to all students from **kindergarten to Grade 7**. If you would like your child to take part, please visit the school office **before or after school beginning January 15** to complete the required consent form.

More details—including training schedules and race-day information—will be shared soon. We look forward to a fun, active, and community-building experience!
